Also, from August 8-27, due to the Study Tour and business trips, the ACEF office would often be unstaffed. Thank you for your understanding.

### ACEF Summer Study Tour held on 8/9 ~ 8/19 !

This year's ACEF Bangladesh Study Tour was successfully completed! A total of 12 people, including 9 participants and tour leaders, visited two districts, Jamalpur and Netrokona, and interacted with teachers and children at BDP schools. This year, building on the school garden crowdfunding project conducted in March and the service-learning activities carried out by Aoyama Gakuin University in May, we were able to introduce new activities such as a cooking class featuring sweet potatoes. Unfortunately, one participant had to be hospitalized during the trip, but they recovered safely and returned home. We sincerely thank everyone for their prayers and support. We will soon hold a report meeting, so please look forward to it!

### Invitation to 2025 Global Festa 9/27- 9/28

We will be participating in Global Festa 2025, Japan's largest international cooperation event, again this year! This year's slogan is "Change the world with your first step: Plus 1 International Cooperation." ACEF has been able to continue its educational support activities step by step over the past 35 years through the support of many people, continuing its partnership with Bangladesh. Going forward, we aim to continue our efforts with a focus on "Plus 1 International Cooperation" to walk alongside the people of Asia and all of you. Please visit ACEF's booth at this year's Global Festa 2025! If you are interested in volunteering at the booth, please feel free to contact the ACEF office.

■ Date: 2025/ 9/27 (Sat.) – 9/28 (Sun.). Day 1: 10:00– 16:00 , Day 2: 10:00 – 17:30

■ Participation Fee: Free

■ Location: Shinjuku Sumitomo Building Triangle Plaza, 2-6-1 Nishishinjuku, Shinjuku, Tokyo 〒163-0290

### 【To ACEF members】 Request for Membership Fee Payment

We sincerely appreciate your continued understanding and cooperation with ACEF's activities. As we have already requested on several occasions, we kindly ask those who have not yet paid their 2024 ACEF membership fees to do so. ACEF currently supports the education of approximately 3,100 children in 30 schools across 6 regions in Bangladesh. ACEF membership fees are used to support non-formal schools (preschool and elementary education) operated by our local partner in Bangladesh, BDP (Basic Development Partners). If you have not yet paid your 2025 annual membership fee, please do so as soon as possible. The bank account details for payment are listed in the dotted box on the next page. We sincerely appreciate your continued support of ACEF. We look forward to your continued support in 2025

## We've delivered your Amazon donations/handicraft supplies

We sincerely thank everyone who donated handicraft supplies. The donated handicraft supplies were delivered to Bangladesh during the August study tour. These supplies will be used at the vocational training school in the Mirpur area (sewing course). Because the amount of donations we received far exceeded our expectations, we will temporarily suspend the acceptance of donations (including those through Amazon). We will announce the resumption of donations via our social media, newsletters, and website.

## Bangladesh Quiz: What's this!?

**Here are the students from a BDP school. What is the name of the class that they make these costumes in?**

**What is the name of these knives used in a Bangladeshi home?**

※These photos were taken during the 2025 Summer Study Tour.  
※The answers will be shared in the next News Letter!

**What is the name of the national fish of Bangladesh?**

## 2024 annual report and request for summer donations

The 2024 annual report has been completed and mailed to our members and donors, along with the March study tour report and a request for summer donations. This year, we will continue our international cooperation activities with a focus on supporting the education of children in Bangladesh and fostering the growth of young people in Japan. If you have not received it yet, please contact our office. (The report is also available on the ACEF website.)

### Donations from everyone will be used in the following ways:

- Support for children's education and implementation of supplementary lessons
- Implementation of study tours
- Improvement of education quality through teacher training
- Renovation and maintenance of school buildings in rural areas
- Salaries for BDP staff and teachers

※ Due to an increase in postal costs, we are considering sending the Annual reports, Study Tour reports, and other documents in PDF format to those who request them. We will conduct a brief survey within this fiscal year, and we appreciate your cooperation.
